His Excellency General The Hon David Hurley AC DSC (Retd)
Governor-General of the Commonwealth of Australia
Parliament House
CANBERRA ACT 2600

20 September 2022

Your Excellency,

The Vietnam Veterans Federation of Australia and its members are greatly saddened by the passing of Her Majesty, Queen Elizabeth II. Many of our members served under Her Majesty during the Vietnam War and would have been proud and honoured to have done so.

Her passing will of course be mourned by many in the Commonwealth of States, and also by many of those outside the Commonwealth, who had admired and respected her for her commitment to her royal duties with dignity, leadership, care, compassion and of her family values during her reign as a Monarch.

She was much loved by many throughout world for these very reasons and nothing more could have been asked of her.

May Her Majesty Forever Rest In Peace

Respectfully yours,

William Roberts OAM JP
NATIONAL PRESIDENT
